

LEARN TO EARN

ABOUT THE PROGRAMME

Raising aspirations and empowering students to make informed decisions about their subject and future career choices. Learn to Earn provides students with a clearer understanding of the routes to jobs and careers that they will find engaging and rewarding.

KEY FEATURES

- Suitable for 12 - 19 year olds
- 5 - 6 hours delivery time in classroom-sized groups with flexibility for larger groups
- Delivered by our safeguarded Education Partnerships Team
- Support and guidance from a volunteer (where possible)
- Supports the Gatsby Benchmarks of Good Careers guidance (see p.2)

WHAT'S INVOLVED?

In a rapidly changing world, young people need support to make informed choices about future careers more than ever.

Learn to Earn motivates students by encouraging them to consider financial plans for the future, set goals and think about their future study options.

Through a range of scenarios, tasks and activities, the day provides students with knowledge of the skills necessary to make successful transitions to the next stage of their life.

“I learnt how to budget, and also how to set realistic goals for myself that I will be able to achieve. I have also learnt a wide variety of jobs to keep in mind for my future.” - Student

80% of students agree or strongly agree that they can calculate and balance a realistic cost of living budget after the programme, compared to 47% before.

78% of students agree or strongly agree that they know about the skills employers are looking for after the programme, compared to 56% before.

LEARNING OUTCOMES

- Explain personal hopes and dreams for the future; describe personal strengths and preferences and what success means.
- Calculate and balance realistic cost of living budgets
- Consider a wide range of ambitious job and career options and know how to make informed decisions about career and lifestyle choices
- Understand the benefits of different progression options, including apprenticeships, education or training, and how STEM subjects help to gain entry to a wide range of careers
- Understand the skills necessary to make successful transitions to the next stage of life and employer expectations
- Set SMART goals and plan next steps to achieve these goals
- Know where to go to find more information and support

EMPLOYER ENCOUNTERS

Young Enterprise involves thousands of volunteers every year, from employers of all sizes and sectors, right across England and Wales. Interacting with local employers and employees is a core part of Learn to Earn.

Our volunteers help young people to build a broader understanding of the workplace and employment and the skills required to make successful transitions to the next stage of their life.

86% of educators agree or strongly agree that the course was enjoyable for learners
